Death of Capt. W. H. Dial, Sr.

Capt. William Henry Dial, Sr., one of Madison's oldest and most prominent citizens, fell dead in the Citizens Bank last Saturday morning about 9.15 o'clock, death being the result of a stroke of paralysis.

Capt. Dial was a native of South Carolina coming to Florida and locating at Madison from Columbia more than fifty years ago. He was engaged for many years in the mercantile business but of late years gave all of his attention to his several plantations until the recent organization of the Citizens Bank of which he was the president.

Capt. Dial was a gallant Confederate soldier having organized a company here which he commanded throughout the civil war. At the time of his death he was commander of A. H. Colquitt Camp U. C. V., and his body was followed to the grave by many of his comrades in arms.

Just prior to his sudden death Capt. Dial to all appearance was in robust health, strong and vigorous. A few weeks ago he had a stroke of paralysis but had seemingly entirely recovered from its effects.

The funeral was held from the family residence Monday morning and was attended by a large concourse of citizens. Deceased leaves a widow three sons, W. H. Jr., J. C. and R. V. Dial, a daughter, Mrs. Chandler Smith, and several grand children to mourn his loss. He was a useful and valuable citizen and will be missed from the community.
